Name: _____ E-Mail, Fax or Address: _____

All Plans, Specifications and supporting documents will be disposed of 5 years after issuance of Certificate of Occupancy and/or Completion. Please contact us within this time frame if you want these plans returned.

Applicant's Name: _____

Applicant's Signature: _____ Date Signed: _____

I hereby certify that I have read this application and know the same to be true and correct. I understand that construction will be inspected for compliance with the 2006 International Building Code and other State and County laws and ordinances governing this work and agree to abide by the same whether specified herein or not. I further understand that the granting of a permit does not presume to give authority to violate or cancel the provisions of any State or County Ordinance regulating construction or the performance of construction. Issuance of a permit does not imply or represent that proposed construction complies with subdivision or deed restrictions, restrictive covenants, or other conditions which may be applicable to a particular parcel of property.

Office use only:

Plan Submittal Checklist

All plans must be designed in accordance with the following adopted county codes:

2012 International Building Code	2012 International Fire Code
2012 International Mechanical Code	2012 International Plumbing Code
2012 International Fuel Gas Code	2009 International Energy Code

All plans for new construction, tenant build-outs and renovations must contain the following code information and the manner in which compliance has been achieved:

All applicable codes	Life safety plan
Allowable height and area	Number of stories
Construction type	Building area (s.f.)
Occupancy group	Sprinklered or nonsprinklered
Fire alarm	
Rated walls, floors, ceilings, roofs, doors, etc.	
Rating of structural members and walls	
Copy of the site plan showing distances of less than 30 ft. to other buildings, streets, alleys, or public ways	

1. All plans for additions, tenant built-outs, and renovations must show the project location in relation to the entire existing floor or structure of the building in which or upon which it will be constructed.
2. Two (2) sets of architectural, mechanical, plumbing, electrical, and civil drawings are required.
3. When stamped drawings are required, every sheet of each set of plans must be stamped, signed, and dated by a registered architect or engineer per state law.
4. Provide a site map showing location of surrounding streets, along with address of project.
5. Shop drawings must be approved and stamped by a Tennessee Registered Engineer or Architect (2 sets required).
6. Sprinkler design and shop drawings must comply with State of Tennessee (standard of care for Fire sprinkler design). One copy of engineered approved shop drawings and calculations must be submitted.
7. Projects requiring flood-proof construction located in FEMA Flood Zones must be accompanied by a flood-proof design certificate prepared by a registered engineer or architect.

The State Fire Marshals Office reviews and approves designer sealed building plans for new buildings, additions to existing buildings, change of occupancy projects, or building renovations anywhere in Tennessee:

1. Educational Occupancies, (schools) kindergarten through the 12th grade
2. Day Care Occupancies, (child and adult) licensed by the Tennessee Department of Human Services (DHS)
3. State owned or leased projects, (state office buildings, universities, colleges, etc.) Exception: Facilities leased by the state located in a jurisdiction of local government that has obtained the exemption authorized by Tenn. Code Ann. § 68-120-101(b)(2). [Rules 0780-02-03-.02(1)(d), Effective 06-27-2010]
4. State agency licensing, when the agency identifies through law or rule that the SFMO must perform fire inspections. (DHS, Tennessee Department of Children's Services (DCS).
5. Assembly Occupancy of 300 or more.
6. Business Occupancy three or more story buildings.
7. Residential Occupancies, except 1 & 2 Family Dwellings and Townhouses.
8. Correctional Facilities

9. Enclosed Malls

10. High-Hazard Industrial (2006 IBC Groups H-1 and H-2 only; Excluding Storage)

Note: After State Fire Marshal approval of plans, submit the approved copy along with one additional copy for review by the Warren County Building & Environmental Codes Department.
